If I make my bed in hell, behold, Thou art If I take the wings of the morning. And dwell in the uttermost parts of the sea Even there shall Thy hand lead me, And Thy right hand shall hold me. It I say, Surely the darkness shall cover :

Even the night shall be light about me.

A party of ignorant but inquiriog this truth, and assume, either con and no taste for the spiritual food es, with their means of grace, and all barbarians visit for the first time a clously or unconciously, that we are steam flouring mill. They know independent of the Almighty, filial re-

known, heretofore, only the most place in our minds, and instead of it unthankful? Never. Nor does God Thy blessing gives to these things against a man for murder that is on primitive mode of grinding it. See | will spring up the "Pride that goeth | cease to love us, though we fall far their only real worth ! ing now the grain running from the before destruction." hopper, and the flour steadily stream It is conceivable that a minute in preciation of His love. ing from the stones without any spparent human intervention, they exclaim; "Here is a month of the stones without any spwatch which I hold in my hand, and for his goodness—for the goodness—for the goodness—for the goodness. parent human intervention, they ex- watch which I hold in my hand, and for his goodness-tor the goodness words may have a strange sound to Laughlin, usually called Tip McLaugh claim: "Here is a wonder-let us that it might be endowed with reason that is inherent and everlasting in the worldly ear. It is not natural in for shortness, read in a San

with that explanation. He wants to know what whirls the millstone. So he carries the investigation farther; and finding shafts, and pulleys, and belts, and wheels, he robs the mill stone of its honor, and cries: "I've stone of its honor, and cries: "I've found what grinds the winding of the watch seems a great world. Its machinery and motions are wonders and life studies—
That which to my ear is only a faint tick, tick, is to my insect friend's delicate hearing, awe inspiring thun stone of its honor, and cries: "I've found what grinds the wheat. It is stone of its honor, and cries: "I've der The slight noise and jar profound what grinds the wheat. It is to this supposed inhabitant, the vestigates more deeply. Running down into the basement, he finds there the engine in operation. So, now he is wiser than they all, and he exclaims: "I have found it! Not it is own conceit, and prondly designed in its own conceit, and prondly designed in the machinery clares: "Great is this world in about it, but this great iron monster, we may divide our blessings into two classes.

I be grateful for, the blessings of adautersity.

Reverses in business may have be. fallen some of you. Possibly the actions of a lifetime of industrious toil have melted away. I may be of trade in the establishment where it is own conceit, and prondly designed in its own conceit, and prondly designed in the winding of the watch is to this supposed inhabitant, the duced by the winding of the watch is to this supposed inhabitant, the roar, and crash, and catastrophe of an earthquake. And my reasoning in sect studies, and philosophizes, and racks its little brain, and grows wise in its own conceit, and prondly designed in the teaching of the Psalmist, that we should meditate upon, and be grateful for, the blessings of adautersity.

Reverses in business may have be. fallen some of you. Possibly the accumulations of a lifetime of industrious toil have melted away. I may be supposed to the wants of his customers. Such a person would hardly be supposed to prove the sing of the Psalmist, the we should meditate upon, and be grateful for, the blessings of adautersity.

Reverses in business may have be. fallen some of you. Possibly the accumulations of a lifetime of industrious toil have melted away. I may be supposed to trade in the establishment was a pleased.

O, foolish barbarians! What were telligence look down from a higher and bind their peoples together the dumb mill without the intelligent sphere, and say: "O man, the mate-

only a few blessings, it is because our ability to receive them is so limited. Too often we are in the relation towards food which a suck child is in towards its mother. In the mother's heart is a boundless wealth of love for her cuild, and she seeks in num before and security: for the laws and before a suck child as the sunlight; not confined being \$53,000,000, and to merchandise being \$53,000,000, and to merchandise being \$53,000,000, and to merchandise and personal effects \$143,000,000.—
The fact has been disclosed in Chicago that when, in August last, in order to test any discrepancy in the destruction by our fire covering the devators in that city and elevators in that city and elevator remains the city and elevators in that city and elevators in the city and city and city and city and city a

ser of facts, maintaining the order the greatest helps to devoutness and state, may be unconscious of God's tion; for social and family privileges which we observe.

The greatest helps to devoutness and state, may be unconscious of God's tion; for social and family privileges thankfulness. Whenever we forget presence, have no sense of His love, and enjoyments; for Christian church-

engine, and the cause of its motion, atom of the greater world without, of When the angels heralding Christ's ly the instability and little worth of consider that Lundholm wrote the and at last declares triumphantly: which you know nothing, but without coming, sang "Peace on earth, good earthly riches; it by means of it He paragraph, and he visited the place will towards men," their song had in is steam that grinds the wheat!" der, motion or existence. And an it a prophecy of an age to come in and brought you into closer and charged him with the authorship. The ever increasing circulation of the popular desires and needs. Indeed, when popular desires and needs. Indeed, when each indeed in the lean speech of earth.

The ever increasing circulation of this excellent monthly proves its continued adaption to popular desires and needs. Indeed, when each indeed, when the intends to keep up the ideas we form of the blind, and the ears of the dead; when he made the double to speak and notion for a new trial, but as the convicted on the blind, and the ears of the dead of the blind, and the ears of the dead of the blind, and the ears of the dead of the blind, and the ears of the dead to more blessed than that of once left the city, it is hardly expecting in the lean to walk; when he bade fevers and needs. Indeed, when the outre of a liber, it is a bountful feast of good things in the lean to walk; when he bade fevers and needs. Indeed, when the convertion of the dead when the earth does it." And another, "The task laid on the outre of the practically affected by the ideas we form of the blind, and the ears of the dead to good this stribute of the dead to success the best of the blind, and the ears of the dead to good this stribute of the dead to success the best of the blind, and the ears of the dead to when the total th The dictation on God's Diseasings

Probably the most novel and orig-

Here the accounts of the affair that have reached us become foggy; but

itor. It is not clear whether he was shot because McLaughlin thought he of our country, to render thanksgive ing to Gcd, it is fitting that we should respond in thought and feeling to the sentiment of the Paslmist:

On that men would praise the Lorn fer his wonderful works to the children of men?

The expression of such a desire, in this form, implies that men do not, generally snd heartily, praise God. And this is true. Notwithstanding our constant experience of the divine our constant experience of the divine produces these? One answers, "The produces these?" One answers, "The produces these?" One answers, "The of great the finder of nearly snd heartily, praise God. And this is true. Notwithstanding our constant experience of the divine of the state of the produces the proceedings admitted in which a msn says within himself, "I am so little, so weak, so worthless, as of sar beneath God, that surely the cheat.

My brethren, the students of unture of barbarians inGod's and the judge of far the cheat.

My brethren, the students of unture debrarians inGod's all men to bail, and the judge of dependent ones, deprived to bail by the needs of dependent ones, deprived to bail by the needs of dependent ones, deprived to bail by the needs of dependent ones, deprived to bail by the sure to day not fully developed, not brought to perfect on, yet so tar established that it in the truth.—that God is as great in this form, implies that men do not, generally snd heartily, praise God.

And this is true. Notwithstanding our constant experience of the divine produces these?" One answers, "The of greature and fair remuneration, and a reasonable combination of the study by during to decline, the which as surely the cheat.

My brethren, the students of unture to day on the study by the surely burden of wearly lighten labor. Dear souls!

The expression of such a desire, in this form, implies that we hould be a reasonable combination to delicacy to deprive the nects of dependent ones, deprive to the limb, the nects of dependent
